NC DEPARTMENT OF
**HEALTH AND
HUMAN SERVICES**

If you have any questions, issues or requests, please go to the
CVMS Help Desk Portal* at https://ncgov.servicenowservices.com/csm_vaccine

If you are in North Carolina, you can also call the COVID-19 Vaccine Provider Help Center at (877) 873-6247 and select option 8. The COVID-19 Vaccine Provider Help Center is available during the following hours:

Monday – Friday: 7:00 AM – 7:00 PM ET

Saturday – Sunday: 10:00 AM – 6:00 PM ET

* On the home page of the CVMS Help Desk Portal, select the "**Vaccine Provider**" option to submit your question, issue, or request.

Providers that are first time users of the CVMS Help Desk Portal will have to follow the steps below:

1. Register for an account on the portal by clicking 'Register' in the top right-hand corner
2. Populate your first name, last name, business e-mail, and your registration code

NOTE: The registration code is your Provider PIN (i.e., NCA650001), which can be found on the packing lists received with your Vaccines For Children shipments, or in the top right-hand corner of a wasted / expired report generated from the North Carolina Immunization Registry (please add "NCA" to the front of the six-digit PIN#)

*For providers who are not enrolled or may not have a Provider PIN, you may use the following generic Provider PIN to register:
VAC2021*

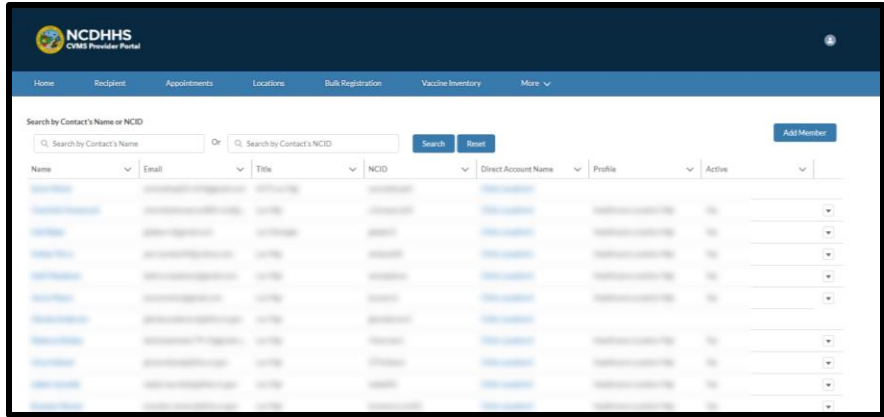

3. You will receive an e-mail with your username and temporary password to log into the portal

User Accounts Management Overview

Overview

In this user guide, we will review User Account Management.

User Accounts Management will allow you to create and onboard new users to the CVMS Provider Portal. You will be able to:

- Search and create CVMS Provider Portal user accounts
- Edit user account details and profiles
- Add / remove locations to a user account
- Deactivate user accounts

The processes included in this user guide are for users with the **Healthcare Location Manager** profile only.

Additionally, you will need to:

- Use the latest version of Chrome, Firefox, Safari, or Edge Chromium browsers.
- Log in the CVMS Provider Portal with your NCID username and password at <https://covid-vaccine-provider-portal.ncdhhs.gov>

Now, let's get started!

Key Terms

Healthcare Location Manager Profile

The Healthcare Location Manager is an available user profile for the CVMS Provider Portal. This profile gives Healthcare Location Managers permission to access the following tabs: Home, Recipient, Appointments, Bulk Registration, Vaccine inventory, Shipments, Reports, Account Management, Organization Management, and Help & Information.

Healthcare Provider Profile

The Healthcare Provider is another available user profile for the CVMS Provider Portal. This profile gives Healthcare Providers permission to access the following tabs: Home, Recipient, Appointments, and Help & Information.

Account Management Overview

The Account Management process enables Healthcare Location Managers to onboard staff or individuals that require access to the CVMS Provider Portal. Before starting this process, make sure to collect NCID usernames and valid email addresses for each user who requires a CVMS Provider Portal account.

1

Navigate to the Account Management tab in the CVMS Provider Portal.

Healthcare Location Managers can onboard authorized staff or individuals and provide access to the CVMS Provider Portal through the self-service Account Management tab.

2

Click Add New Member. Populate and save the HCP Provider Portal Contact record.

You will be required to enter the first name, last name, profile, NCID username and associated email address for each user.

Make sure to check that the NCID username was created using the associated email address.

3

After clicking Save, an automatic email will be sent to the users inviting them to sign into their CVMS Provider Portal account and start performing their applicable activities.

As a Healthcare Location Manager, you will be able to edit the assigned profile and NCID username if you need to correct any information.

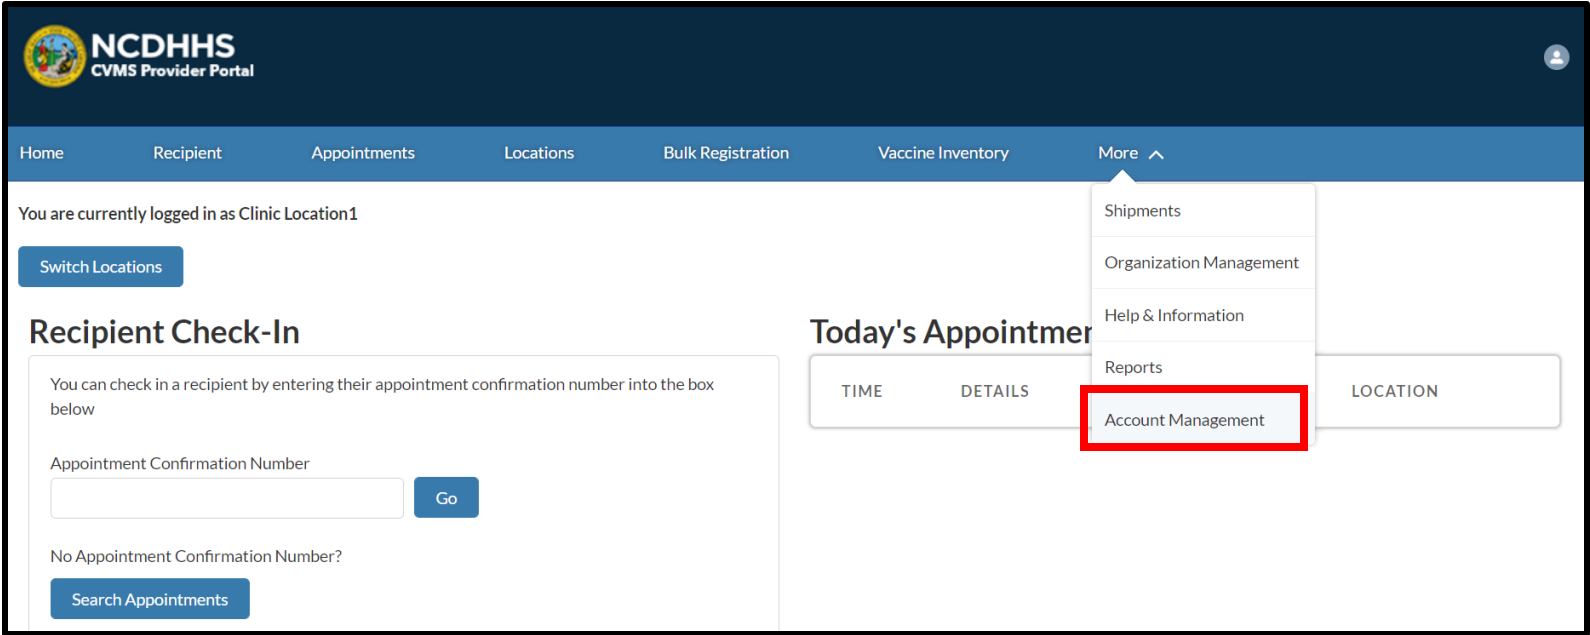

For onboarding a large number of users to the CVMS Provider Portal, please visit the [CVMS Help Desk Portal](#) for further instructions on the HCP User Onboarding Template and the bulk user onboarding process. This will require opening a ticket in the [CVMS Help Desk Portal](#).

Create a New User Account

Step 1 of 7: Navigate to Account Management Tab

Before beginning the Account Management process, collect the first name, last name, email address, and NCID usernames for the individuals you are onboarding. You will need an NCID username for each person to onboard them to the CVMS Provider Portal.

- 1. From the homepage, click **MORE**
- 2. Click the **ACCOUNT MANAGEMENT** tab from the drop down

Tips

Before deactivating a CVMS Provider Portal account, use the NCID username as a unique identifier to confirm you found the correct account.

You will only be able to deactivate CVMS Provider Portal accounts that have the same direct Account (Location) as your own account. You can view your direct account on your HCP Portal Contact record.

Appendix

How to Obtain an NCID

Instructions for a user to create an NCID:

- Navigate to <https://ncid.nc.gov/>
- Click **Register!** (in the bottom right corner of the blue box)
- Click **Business** user type option
- Complete the required fields to create an NCID
- Follow the steps to access your NCID account **and** create your security questions
- Once created, you will need to provide the exact first name, last name, email address, and NCID username used to create your NCID to the designated Location Manager or the Vaccine Coordinator so they can request access to the CVMS Provider Portal for you.
- If you have any questions **or need assistance in identifying the Location Manager or the Vaccine Coordinator for your location**, please submit all inquiries to the CVMS Help Desk Portal at https://ncgov.servicenowservices.com/csm_vaccine.

The screenshot shows the NCID registration page. At the top, there is a pink box labeled "NCID Tips". Below it is a blue box containing the NCID logo (a map of North Carolina with a padlock) and the text "NCID". Under the logo are two input fields: "Username" and "Password". Below these fields is a blue button labeled "NCID Login". Under the button are three links: "Forgot Username", "Forgot Password", and "Unlock Account". At the bottom left of the blue box is a link "Need Help?". At the bottom right of the blue box is a red button labeled "Register!". Below the blue box are two links: "Privacy and Other Policies" and "Contact Us". At the bottom of the page is a warning message: "WARNING: This is a government computer system, which may be accessed and used only for authorized business by authorized personnel. Unauthorized access or use of this computer system may subject violators to criminal, civil and/or administrative action. NCC742". To the left of the warning message is a small American flag icon, and to the right is a small circular seal.

Editing the Email Address on the HCP Portal Contact Record

When a User Contact record is created, an automatic email is sent to the email address provided confirming their new CVMS Provider Portal account. It is very important that you enter the correct email address.

If you need to correct the email address after the record is created, the new email address **WILL NOT** receive an automatic email notification.

You will need to **MANUALLY PROVIDE** the individual with the **CVMS PROVIDER PORTAL LINK** and **LOG IN INSTRUCTIONS** to confirm their new account.
